

2023-2024 School year Student board member:

Everyday Miracles is a non-profit organization built on the beliefs that every birthing family has a right to evidence-based prenatal care; that everyone should be empowered, supported and celebrated during pregnancy, birth and postpartum—regardless of age, race, or socioeconomic status.

The Everyday Miracles leadership team guides the operations, special projects, and finances of the organization. Each person believes strongly in the mission of Everyday Miracles and in empowering and supporting birthing people throughout pregnancy, birth and beyond.

The student board member will provide essential ideas, support our mission as a team, and dedicate time to benefit the organization.

Responsibilities:

- Attend board meetings
- Demonstrate quality communication skills
- Connect with other board members & director
- Connection or interest in improving birth outcomes using evidence-based education and doula support
- Follow through with board assigned tasks

Qualifications:

- Current student seeking a related degree (Public Health, Nursing, Master's of Public Health, Health Administration, Etc.)
- Passion for empowering birthing individuals and serving a diverse population of clients
- Support our mission to improve birth outcomes and reduce health disparities by providing evidence-based education, compassionate and culturally aware support and a non-judgemental, caring community.
